# HYMN MEMORIZATION PROGRAM

Your child is never too young to begin learning the great hymns and songs of our faith. In fact, these early years may be the best time of all! Learned by an eager preschool mind, these words and melodies of faith, hope, and salvation handed down through generations of Christians will remain with your child for a lifetime. Nor is it too early for our children to learn that they can be active participants in worship. They can use their time, talents and gifts to serve God now. The children's choir hymn memory program seeks to help your child to accomplish these objectives. Through the offering of incentives and awards for memorizing hymns, we hope to help your child develop an early and lasting love for the music of the church.

Each choir has a list of hymns that they will study throughout the year. As your child learns each hymn, he or she will have the opportunity to sing it from memory for his or her choir director. At the end of the choir-year, children who have memorized all their hymns will receive an award. In order to receive the Hymn Award this year, a child must sing all of his or her hymns, by memory, for a children's choir leader no later than Sunday, May 17, 2015.

The hymns learned at each elementary choir level are listed below.

## 3-YEAR-OLDS

- Hymn 601 / Oh, How I Love Jesus (chorus only)
- Hymn 103 / O Come, All Ye Faithful (chorus only)
- Hymn 603 / Jesus Loves Me (1st stanza only)

## 4-YEAR-OLDS

- Hymn 497 / I Have Decided to Follow Jesus
- Hymn 110 / Away In A Manger
- Hymn 208 / He Is Lord

## KINDERGARTEN

- Hymn 507 / Lord, I Want to Be a Christian (1st stanza only)
- Hymn 706 / Doxology

# PRESCHOOL MUSIC - MISSION STATEMENT

The mission of the children's choir program at First Baptist Church is to honor and worship God by instilling in the hearts and minds of children a lifelong desire to praise God through music. Because we as Christians believe that music is a gift from God, the program will additionally seek to equip children with the ability and desire to recognize and strive for excellence in all musical experiences. This goal will be achieved by providing every child enrolled an accessible understanding of the fundamentals of music and quality vocal production, and by giving opportunities to share music as an offering to God in worship and outreach events.

# PRESCHOOL MISSIONS - STATEMENT OF PURPOSE

The goal of each of our Preschool children's mission organizations is to provide age appropriate opportunities for children to learn: what missions are, what the Bible says about missions, how others are doing missions, and how they can be involved in missions.
