

## 91 Day New Testament Reading Plan

This reading plan will provide a solid focus on the New Testament as we anticipate Easter Sunday, March 31. Each day's reading is about two to three chapters. This is designed to help you not feel overwhelmed if you miss a day or two. If you have never read your Bible all the way through, this will provide you a great starting point. If you would like to add some additional reading, you can read a chapter from Proverbs that corresponds with the day of the month. By the end of the reading plan, you would have read Proverbs three times.

Let us join, as one church, and commit to reading the New Testament together. Please let Jacob, [jacob@fbctlh.org](mailto:jacob@fbctlh.org), know if you are committing to reading the New Testament through with the church. For those who complete the reading plan, the church will provide you with a resource to further your faith in the work of the New Testament.
