DISCIPLINE STATEMENT + ACKNOWLEDGEMENT OF RECEIPT

Child's name _____

Florida law states that every childcare center has to provide parents with a written discipline statement and a copy of the "Know Your Child's Daycare" brochure. This brochure is published by the Department of Children and Families.

The following discipline procedures are used at First Baptist Church of Tallahassee's Weekday Education:

- Redirect younger children
- Discuss the problem with children old enough to have good verbal skills and include them in the solution to the problem
- If needed, "Time Alone" form activities in the classroom under the teacher's supervision
- If the incident is recurring or one that the teacher feels needs more attention, then the child will be brought to the office for "Time Alone" under adult supervision
- In some cases, parents may be called to talk to their child over the phone or come to the school and take the child home
- NO FORM OF CORPORAL PUNISHMENT WILL BE USED AT FIRST BAPTIST CHURCH OF TALLAHASSEE'S WEEKDAY EDUCATION

___ I have read the **discipline statement** of First Baptist Church of Tallahassee's Weekday Education.

___ I have been given a copy and read the brochure titled "**Know Your Child's Daycare.**"

___ I have been provided with a copy of the "**Parent Handbook**" and agree to abide with the policies stated in this handbook.

SICK CHILD PROCEDURE

Dear Parents,

Please be aware that physicians and the Department of Children and Families do not always agree, but we are licensed by the Department of Children and Families and abide by their regulations. This means that the following procedures are directly from DCF and we ***must*** observe their policies.

Any child with any of the following will be sent home, and may return when specified below:

- **Diarrhea**—more than 2 watery stools | must be symptom-free for 24 hours without the aide of symptom relievers (recurring diarrhea will be excluded from the center until the child has been tested and received a negative result for giardia, salmonella, and shigellosis)
- **Vomiting**—must be symptom-free for 24 hours without the aide of symptom relievers
- **Undetermined rash**—any topical condition on the skin that is not normal for that child | may return with a note from the physician that states that the child is not contagious
- **Fever**—101 degrees or higher | must be fever-free without the aide of Tylenol, etc. for 24 hours
- **Head lice**—observing the lice on the scalp or itching of the head, neck, or back of the ears | must be nit-free and treated with an anti-lice shampoo
- **Strep Throat**—must be on antibiotics for 48 hours before returning to school
- **Nasal drainage (green in color)**—a green discharge from the nose, accompanied by a fever of 100 degrees or higher, or a cough | must be fever-free for 24 hours and may return with a note from the doctor that states that the green discharge is not contagious
- **Ringworm**—flat ring-shaped areas on the body or scalp | may return when on medication for 24 hours, and the affected areas must be covered
- **Thrush**—white patches in the mouth or on the tongue | must be on medication for 24 hours
- **Mouth sores (relating to coxsachie virus or hand, foot, and mouth)**—blisters on the tongue, gums, or roof of the mouth; blisters may also be on the hands and feet | may return with a note from the physician that states the child is not contagious (usually 2-3 days)
- **Pink eye**—red, itchy eyes accompanied by drainage | must be on eye drops for 24 hours and free from eye drainage
- **Croup**—cough that sounds like a bark, accompanied by a low-grade fever | may return when fever-free for 24 hours and when the barking cough has gone away

For those listed above, and any other illnesses, please obtain a doctor's note for clearance to return to school.

Keeping a sick child at home will reduce the spread of illnesses in the classroom. It is a very long day for a child who is sent to school not feeling well.

Please do not put our staff in the difficult situation of having to send your child back home if you come back before the 24-hour period. Please note that means 24-hours symptom-free!

Thank you in advance for helping to keep our children as healthy as possible.

DRESS GUIDELINES

- Please dress your child according to the weather and in clothing that you don't mind getting messed up.
- All walking children should wear socks and closed-toe shoes to protect their feet from the prickly mulch on the playground.
- Shoes should be fitted properly to avoid tripping.
- We discourage t-shirts with monsters, ghosts, witches, or other questionable designs/pictures.
- We discourage clothing with offensive language.
- Girls should wear shorts, tights, or bloomers underneath their dresses or skirts.
- Dangling jewelry, hats, headbands, hair boxes, and beads are strongly discouraged.

Teachers already have a large responsibility to keep your child(ren) happy, safe, and loved. They may not be able to keep up with these personal items. Also, many hair ornaments may pose a choking hazard for younger ones who so readily place objects in their mouths.
